

# BE A MAMMALIAN LOVER

Mammalian Diving Reflex has made amazing work in and about the world since 1993. We talk politics and have a fantastic time doing it. We convince 10-year-old kids to cut your hair; take cameras out in the city to bring the world into the theatre; invite you onstage; throw balls in your face to the music stylings of 10-year-old DJs. AND YOU ENJOY IT. NOBODY does what we do, and there's tons more to come. We ask you to consider making a donation, renewing your donation, or consider giving us more. We can use it.
